

ONE TWENTY EIGHT SQUARED

Imagine there's no copyright...
It isn't hard to do!

The contents of this zine and more are part of a constantly growing collection of public domain, freely accessible works known as:

THE OPEN CANON!

The open canon is a project of immense and compoundable scope, aiming to maintain a unified literary canon of fictional works which any author can write in and add to!

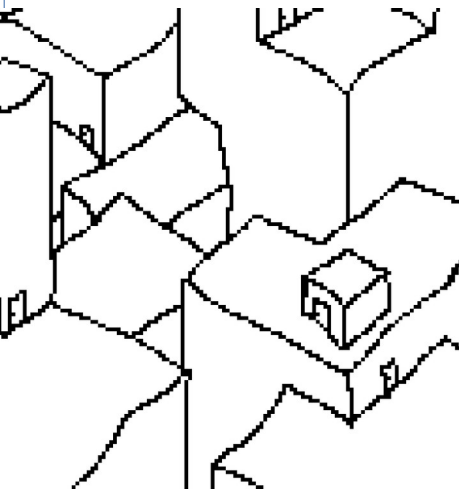

Any Author...? Yes, even you!

How would I get started...? Easy, contact the webmaster at SWABilliant@gmail.com with your entry, or find us on GitHub to contribute asynchronously!
